Architectural Amendments to Plat Covenants of  
Brookshire Village, May 13, 2019

In accordance with Article X, Architectural Control, Section 10.4 of the Brookshire Village Homeowner Association Covenants, the Architectural Committee and the Board of Directors have agreed to an addition to the architectural rules and regulations requiring that any mailbox post or box being repaired, painted or replaced be constructed of a wood post painted black and a black metal box and any street lamp post or fixture being repaired or replaced be black in color.

In accordance with Article X, Architectural Control, Section 10.4 of the Brookshire Village Homeowner Association Covenants, the Architectural Committee and the Board of Directors have agreed to an addition to the architectural rules and regulations requiring any new or full replacement fences are to be of wood construction in a shadow box design. Height and color of fencing shall be at the discretion of the Architectural Committee.
